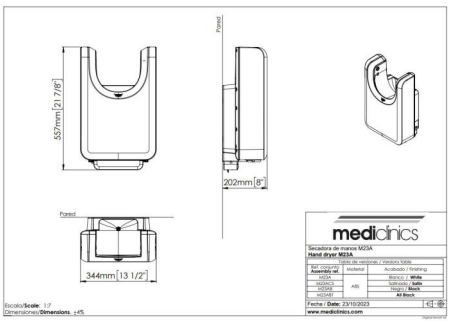
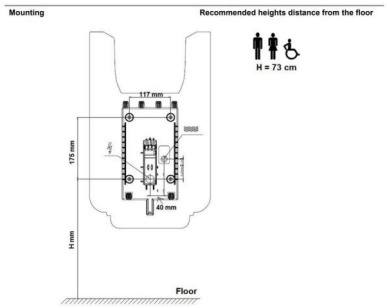
## Description




Hand dryer U-Flow black automatic.
420-1500 Watt.
With adjustable motor power. Electrical consumption can be regulated between 420 and 1100 Watt.
With heating element (only 400 Watt) with on/off switch.
By default the OFF function is activated.
With HEPA filter.
Including ionizer. This Ion Hygienic technology purifies the air by means of negatively charged particles (anions), which eliminates many of the particles and pathogens floating in the air
