Product sheet

Automatic Paper Towel Dispenser Stainless Steel Anti-fingerprint HTU 1 E ST

The HTU 1 E ST automatic paper towel dispenser is designed for sanitary facilities where hygiene, user convenience and appearance are paramount. With its sensor-controlled dispensing, each user automatically receives a clean paper towel without touching the dispenser. This reduces the risk of cross-contamination and contributes to an optimal user experience.The high-quality stainless steel anti-fingerprint housing gives the dispenser a professional and luxurious appearance. Fingerprints are less visible, so the dispenser remains clean-looking for longer and requires less maintenance. The robust construction makes the system suitable for intensive use in offices, care facilities, schools, catering and public buildings.Furthermore, the controlled paper...
