

Cleaning Roll Dispenser midi plastic black, PQBMidiC

Product sheet

It applies in every work environment: an accident lurks in a small corner. But fortunately, the solution also lies in a small corner. With this cleaning roll dispenser from PlastiQline, you always have cleaning paper at hand. Like the entire dispenser line from PlastiQline, this cleaning roll dispenser for midi rolls is also made of plastic. Beautifully formed plastic that is both strong and affordable. Designed for intensive use on the shop floor, whether in a care environment or a production facility. That you 2 years
