

Cleaning roll dispenser midi white, DT0303

Product sheet

Accidents happen in the smallest corners. Especially when water or soap are involved. A well-trained facilities team or tidy guest will of course want to clean this up as quickly as possible. With the cleaning roll dispenser from Mediclinics, your visitors and staff always have enough cleaning cloths on hand for small and large mishaps. For your guests, you like to keep things simple. The cleanly designed cleaning roll dispenser from Mediclinics therefore focuses above all on easy use. You pull the cloths out from the bottom of the dispenser and cut them to the desired length at the designated edge. Changing the roll is just as easy as it is practical: you slide the roll through the sliding door into the dispenser, and the dispenser is ready to go again.
