

Closure Plate 1000 ml Stainless Steel + Window, MQLP10E

Product sheet

In a public restroom, not everyone handles your 1000 ml MQ dispenser with care. Very annoying, of course. Fortunately, the custom-made closure plate provides protection against unwanted external damage. This closure plate completes your 1000 ml MQ dispenser perfectly. You simply attach the closure plate to the front of the dispenser using the supplied key. The bottles inside are optimally protected. Content inspection remains possible via
