

DCMulti Low Flow 4 ltr p/min.

Product sheet

The dosing and dilution systems from Dosing Care are very popular in the cleaning industry. And that's no wonder. Because the dosing and dilution systems are not only very safe and cost-effective, but also incredibly easy to use. Take the Dosing Care Multi Low flow. This handy dosing pump can mix and dispense up to four different chemicals at the same time (multiflow) into a bucket, sink or spray bottle. The dispenser is equipped with a convenient
