

Dosing System Bucket, DC Mix High Flow 14 Liter p/min.

Product sheet

Working with chemicals or highly concentrated cleaning agents sometimes carries risks. When designing the Dosing Care dilution and dosing systems, safety was therefore a top priority. Every dosing system from Dosing Care meets the highest safety and quality standards that the hygiene industry sets for us. The Dosing Care Mix Highflow dispenses exclusively the amount of cleaning agents you have set into the bucket, bottle or sink. The system can be directly
