

Duo Soap Disp. Stainless Steel KB 1000ml, MQDV10E

Product sheet

In a medical environment where every second counts, it is convenient if you have all disinfectants in one place. The Duo soap and disinfectant dispenser from MediQo-line offers the solution. With this duo dispenser, you always have soap and disinfectant at hand. The dispenser consists of two sections, where the bottles hang separately. Both bottles can be activated via the short operating lever and dosing pump at the top. By pressing the lever
