

Duo Soap Dispenser RVS 500ml KB, MQDV05E

Product sheet

In a medical environment, not only practical usability matters, but also style is important. During the design of the Duo soap and disinfectant dispenser by MediQo-line, therefore attention was paid not only to user convenience, but also to design. This duo soap dispenser immediately catches the eye with its elegant appearance. The exterior of brushed RVS emphasizes the contemporary clean lines of the dispenser. This dispenser provides space for two bottles, which makes it
