

Facial tissue dispenser stainless steel, AI0985CS

Product sheet

With a cold virus in the air, everyone seems to be sniffing. It is therefore handy to have plenty of tissues in stock to provide your guests and employees with a hygienic refresh. With the stainless steel facial tissue dispenser from Mediclinics, you are assured of a large supply of tissues. The facial tissue dispenser from Mediclinics is not only beautiful, but also ensures optimal hygienic use. Thanks to the specially applied anti-fingerprint coating
