

# Facial tissue dispenser stainless steel, MQTDE

Product sheet

Imagine there is a severe cold outbreak in your department. A situation that puts considerable strain on your tissue supply. With the tissue box from MediQo-line, all your employees are assured of a fresh nose. Ideal about this tissue box is the wall mounting. The box is securely fastened to the wall at four points, so the box never goes missing. Removing tissues is easy via the oval opening on the front of the box. Have a cold? Then request a quote for the tissue box here
