

Foam soap dispenser 1000 ml automatic black, DJF0038AB

Product sheet

The appearance of a sanitary facility often says something about the building. Do you want to give your guests that extra bit in the sanitary facility? Then take a look at this automatic foam soap dispenser black. Foam always has something luxurious about it, especially when combined with automatic. The visitor only needs to activate the sensor at this dispenser and then receives a generous amount of foam on their hands. Foam gives visitors the feeling that they have plenty of soap in their hands which feels soft.
