

Foam soap dispenser 1000 ml automatic stainless steel white, DJF0038A

The appearance of a sanitary facility often says something about the building. Do you want to give your guests that little extra in the sanitary room? Then take a look at this automatic foam soap dispenser. Foam always has something luxurious about it, especially when it is automatic. The visitor only needs to activate the sensor on this dispenser and then receives a portion of foam on their hands. Foam gives visitors the feeling that they have plenty of soap in their hands that feels soft. This
