

Foam Soap Dispenser 1200 ml

Automatic Plastic White, PQAfoam12

Improve hygiene in your sanitary facilities with this touch-free solution! With this foam soap dispenser from PlastiQline, there is no longer any need to touch the dispenser. Thanks to a sensor, foam soap is automatically dispensed when you hold your hand in front of the dispenser – much more hygienic! Personalize the dispenser by having your logo printed on it (from 10 units) and by choosing the window color yourself (supplied standard with a gray window). Works
