

Glove Dispenser Duo Aluminium, MQDGDA

Product sheet

In medical emergency situations, latex gloves are one of the first requirements. The duo glove dispenser from MediQo-line guarantees efficient and simple dispensing of medical gloves. This duo glove dispenser from MediQo-line consists of two parts connected by a so-called back plate. Each part provides space for a separate glove box. The supply boxes are held in place by a spring-loaded clamping bracket that is inserted through the back of the box. Are you already prepared for medical emergencies? Request a quote now for the glove dispenser duo aluminium, MQDGDA MediQo-line.
