

Glove Dispenser Trio Aluminium, MQTGDA

Product sheet

Latex gloves provide optimal protection against unwanted bacteria. With gloves from the Trio glove dispenser by MediQo-line, you prevent unwanted infections. This dispenser stands out especially for its aluminum frame. The sturdy material gives the dispenser an extremely robust appearance. A solid base for the three glove boxes, each secured behind the spring-loaded stainless steel clamp. By positioning the opening toward the front, you can quickly and easily remove gloves from the box. Do you also want to ensure optimal protection against bacteria? Request a quote now for the aluminum Trio glove dispenser by MediQo-line.
