

Glove Dispenser Trio White, MQTGDP

Product sheet

In the medical sector, the use of latex gloves is synonymous with optimal hygiene. Something everyone values. A practical, professional glove dispenser is therefore essential. The design of the Trio glove dispenser from MediQo-line has been carefully thought through. Intensive use requires solid mounting and optimal usability. The dispenser, which is attached to the wall with four (!) points, provides space for three boxes, which are placed with the open side facing forward. This allows the user to pull the gloves out of the box in one motion. Always have a large supply of latex gloves available? Then request a quote here for the Trio glove dispenser from MediQo-line.
