

Glove dispenser uno stainless steel, MQGDE

Product sheet

When you find yourself in an emergency situation, it is always convenient to have sufficient latex gloves at hand. With the Duo glove dispenser, you don't have to worry about your supply for a moment.

The operation is simple: you simply slide the back of the glove boxes through the spring-loaded stainless steel clamping bracket. This bracket keeps the boxes firmly in place in any situation. The dispenser can be mounted horizontally or vertically on the wall as you prefer. Whatever is most convenient for you.

Do you always want to have at least two glove boxes available? Then choose the MediQo-line duo stainless steel glove dispenser now.
