

Hand towel dispenser midi aluminium, MQHLA

Product sheet

When you choose the MediQo-line, your sense of style immediately stands out with your guests. Why settle for an ordinary model when you also have room for the MediQo-line? With this generous aluminium hand towel dispenser from the MediQo-line, you can make a fresh start after using the toilet. The dispenser offers plenty of space for a large supply of folded hand towels. The cover is easy to open from the front, making refilling the towels a simple task. Available
