

Hand Towel Dispenser midi plastic white, PQMidiH

Product sheet

Soaking wet but clean hands always know what to do with PlastiQline hand towel dispensers. It's very easy to take out a paper towel and dry your hands. Pure convenience: that is the advantage of PlastiQline. This hand towel dispenser provides space for C- and Z-folded paper towels. If you ever decide to switch to interfold towels, simply purchase the special insert plate. In that respect, you're not making a bad investment. On the contrary. You will then have
