

Hand Towel Dispenser Mini Aluminium, MQHSA

Product sheet

Looking for a line where design and functionality come together optimally? Then you will definitely choose the MediQo-line. In this line, both style and practical ease of use play a major role. A typical example is this hand towel dispenser. The sturdy aluminium cover ensures that the dispenser immediately stands out in your sanitary facility. Through the viewing window, you always have an overview of stock levels. Do you want to quickly replenish the spare towels? Then it's the unfolding
