

Hand towel dispenser mini stainless steel, HS 15 EE

Product sheet

If you have a feel for style, you know that every detail counts. With this modest hand towel dispenser, you will find a tasteful and practical addition to any sanitary facility. This subtle hand towel dispenser stands out especially for its clean design. The cabinet design is entirely focused on functionality. To use, remove the towels through the opening at the bottom of the dispenser. The front of the dispenser is hinged, making the hand towel supply easy
