

# Insert Plate (Interfold), HSU 15/HSU 31

Product sheet

Would you like to use this SanTRAL towel dispenser in combination with interfold towels? Then this insert plate is the solution. With this insert plate, you can convert the SanTRAL towel dispenser into a convenient interfold towel dispenser. Thanks to the oval opening, you can easily pull out a single folded towel from the dispenser. The insert plate is cleverly designed so that you can do this effortlessly. This additional feature takes up minimal space. Combine the functionality of a SanTRAL towel dispenser
