

# Jumbo roll dispenser maxi plastic black, PQBMaxiJ

Product sheet

User convenience and hygiene go hand in hand. You want toilet visitors to be able to dispense toilet paper without hassle. Preferably economically. The PlastiQline jumbo roll dispenser is a user-friendly solution. Behind the plastic cover with the well-known droplet design fits a jumbo roll with a diameter of 300 mm. A generous supply of paper that is easy to remove thanks to the serrated edges at the bottom. Like the other PlastiQline accessories, you can use this
