

Jumbo roll dispenser midi stainless steel, CLJ-CS

Product sheet

Are you looking for a toilet paper dispenser that can handle large numbers of visitors? The jumbo roll dispenser from Basicline is ideal for intensive use of sanitary facilities. Your visitors will not quickly run out of toilet paper. Thanks to the viewing window, content control can be carried out quickly. The dispenser has a lock on the front and the cover also opens at the front. At the bottom there are tear-off edges so that the toilet paper can be easily taken.
