

Jumbo roll dispenser midi stainless steel, QTR1L SSL

Product sheet

It is important that you match the capacity of your sanitary accessories to visitor flows. You want toilet users to have toilet paper available even during peak times. With the midi jumbo roll dispenser, you ensure sufficient toilet paper is available.

If you choose the Qbic-line midi jumbo roll dispenser, you remain completely free in the procurement of your jumbo rolls. This beautiful dispenser, popular for its stylized design, is universally refillable. Like the other Qbic-line
