

Jumbo roll dispenser mini stainless steel, QTR1S SSL

Product sheet

With a mini jumbo roll, you provide your toilet visitors with a generous supply of toilet paper. A pleasant idea for everyone. A practical advantage where you do not have to make any compromises on appearance.

With the Qbic-line mini jumbo roll dispenser made of stainless steel, you demonstrate your good taste. The dispenser is applicable in virtually any toilet room. Despite the stainless steel, this Qbic-line mini jumbo roll dispenser weighs only 2 kg. Installation on most walls will therefore pose few challenges.
