

Jumbo roll maxi dispenser plastic white, PQMaxiJ

Product sheet

User-friendliness and hygiene go hand in hand. You want toilet users to be able to dispense toilet paper without hassle. Preferably economically. The PlastiQline jumbo roll dispenser is a user-friendly solution. Behind the plastic cover with the familiar water drop fits a jumbo roll with a diameter of 300 mm. A generous supply of paper that is easy to remove thanks to the tear edges at the bottom. Like the other PlastiQline accessories, you can use this
