

Paper Towel Dispenser Aluminium White, HS 15 P

Product sheet

If you like clean and dry hands, a good paper towel dispenser should not be missing in your sanitary facilities. With the paper towel dispenser from MediQo-line, you will always have plenty of folded paper towels on hand. The first thing that stands out about this small paper towel dispenser is its sleek design. The subtle appearance of the cabinet can be easily combined with any interior style. The ease of use is also optimal: the dispenser offers space for 150 to 500 folded paper towels.
