

Paper towel dispenser midi RVS, MQHLE

Product sheet

If you care about your facilities, you naturally don't want to worry about vandals. But should it happen anyway, you are completely prepared with this paper towel dispenser. This robust paper towel dispenser made of brushed stainless steel can take a beating. The sturdy cover holds space for 400–900 paper towels. This ensures you always have a good supply. The dispenser is mounted to the wall at four points. This solid construction is completely vandal-proof.
