

Paper towel dispenser midi stainless steel/plastic black, PQXMidiH

You don't want your visitors to have to dry their hands by waving them after using the restroom, because the paper towels have run out. That's why you want a well-stocked paper towel dispenser with sufficient storage capacity. A paper towel dispenser must of course be practical to use above all. But that doesn't have to detract from the design. The PlastiQline Exclusive is characterized by the unique combination of modern design and practical usability. The square stainless steel front is specially provided with rounded
