

Paper towel dispenser mini white, MQHSP

Product sheet

If you appreciate clean and dry hands, a good paper towel dispenser should not be missing from your sanitary facilities. With the paper towel dispenser from MediQo-line, you will always have plenty of folded paper towels at hand. The first thing that stands out about this small paper towel dispenser is its sleek design. The subtle appearance of the cabinet can be practically combined with any interior style. User-friendliness is also optimal: the dispenser accommodates 150 to 500 folded paper towels.
