

Paper towel dispenser stainless steel AFP-C, HSU 31 E ST

Product sheet

In busy toilet facilities, it is not always possible for your facility management to keep track of the exact stock at all times. A large supply of paper towels is always helpful. This large paper towel dispenser from SanTRAL is a fine example of practical design. The spacious stainless steel housing that can be mounted on the wall offers room for more than 750 folded paper towels. Thanks to the special anti-fingerprint coating, the paper towel dispenser always looks clean and hygienic.
