

Paper Towel Dispenser Stainless Steel afp-c, PTU 31 E ST

Product sheet

In heavily frequented toilet facilities, it is not always possible for your facility service to keep track of the exact stock at every time of day. A large supply of paper towels is always handy. This large paper towel dispenser from SanTRAL is a typical example of practical design. The spacious stainless steel housing that can be mounted on the wall provides space for more than 500 folded paper towels. Thanks to the special anti-fingerprint coating, the paper towel dispenser always looks clean and hygienic
