

Paper Towel Dispenser Stainless Steel, QPT3 SSL

Product sheet

The average length of stay in a toilet room may be short, but it is long enough to show that you care about quality. Your visitors will not fail to notice that you have chosen a stylish stainless steel Qbic-line paper towel dispenser.

You can probably already picture it. A sleek tiled wall, with the equally sleek Qbic-line stainless steel paper towel dispenser on it. A choice that speaks for itself. With this paper towel dispenser, you make it easy for your guests and cleaning staff.
