

Paper Towel Roll Dispenser Stainless Steel, QAutK SSL

The compact stainless steel Autocut paper towel roll dispenser is your best companion for drying hands and surfaces. Easy to mount on any wall and - also due to its size - ideal in large and small sanitary facilities. The user has two options: pull the paper and get a towel in hand or turn the knob on the side. The paper towel is cut at a length of 23 cm. The 7600 stainless steel paper towel roll dispenser is, despite its compact size, also very suitable for high
