

# Plastic Hand Towel Dispenser White, PQ20MidiH

After a sanitary stop, it is not convenient if your guests have to dry their hands because the hand towels are used up. A well-stocked hand towel dispenser with sufficient storage capacity is therefore the solution.

A hand towel dispenser must of course be practical to use above all. But that doesn't have to compromise the design. You will recognize the PlastiQline 2020 Hand Towel Dispenser at first glance by its sleek, modern design. The square cabinet with subtly rounded corners and
