

Soap Dispenser 1000 ml Automatic Stainless Steel Black, DJ0037AB

Product sheet

Is a luxurious and hygienic appearance of your sanitary facilities important to you? Then read on quickly. The soap dispenser from Mediclinics is hygienic and easy to use. Thanks to the infrared sensor, no contact with the dispenser is necessary and the correct dosage amount is dispensed. The sight window on the front of the dispenser allows easy monitoring of the contents. If the filling runs out, the refill bottle can simply be removed. Everything is easy
