

Soap Pump Recessed 480 ml Stainless Steel High-Gloss, DJ0121C

If you choose a soap dispenser, you want to know just one thing: with which model can you dispense the soap in a user-friendly and stylish way? This soap dispenser from Mediclinics gives you the clear answer. The Mediclinics line is not only practical but also stylish. Interior designers especially love the sleek finish in the worktop. This way, only the spout is visible, and the supply bottle subtly disappears into the washbasin top. The refined shape of the
