

Soap/Disinfectant Dispenser 500 ml Aluminium Long Operating Lever, MQL05A

Most bacteria are transmitted via hand contact. Especially in a sterile environment, good hand hygiene is therefore decisive. With the soap and disinfectant dispensers from the MediQo-line, you always have sufficient disinfectant at hand. It needs no explanation that this disinfectant dispenser has been carefully thought through. Due to the special long operating lever, this dispenser is easy to operate with the elbow. This way you avoid hand contact, which
