

Spray Dispenser 1200 ml Stainless Steel afp-c, NSU 11 E/D ST TOUCHLESS

Product sheet

Especially in heavily soiled areas, the use of alcohol spray is a must. The thin alcohol provides intensive disinfection of hands and other surfaces. With the SanTRAL Spray Dispenser you keep all (hand) bacteria efficiently out the door. You could call it the Ferrari among soap dispensers. This soap & disinfectant dispenser stands out not only in sleek design, but also in ease of use. The alcohol is automatically sprayed over the hands as soon as the sensor detects the
