

Spray Dispenser 900 ml Plastic Black, PQBSpray9

Product sheet

PlastiQline offers you a practical and stylish spray dispenser! This dispenser is ideal for the use of hand alcohol / surface disinfection. Thanks to the stylish black design, the dispenser immediately stands out. If desired, you can customize the window color to ensure the dispenser is extra visible or recognizable for users. A private label line is also possible by printing the dispensers (from 10 units) with your logo! The spray dispenser is suitable
