

Toilet Paper Dispenser 2 Rolls Plastic White, PQ20Duo

Product sheet

A toilet visit usually lasts only a few minutes, but there are moments when your sanitary break takes longer than planned. It is then convenient if you have an adequate supply of toilet paper. Designers love the sleekly designed and robust toilet paper dispenser from PlastiQline 2020. Due to its simple operation and modern, sleek design, this dispenser blends seamlessly into any sanitary space. The robust housing made of strong plastic is
