

Toilet Paper Roll Dispenser 2 Rolls (Jumbo Roll) Plastic/Metal White, PQSDuoPlus

When furnishing the sanitary area, you take into account the wishes of future users. This can be a good reason to choose a toilet paper roll dispenser with 2 jumbo rolls. When one toilet paper roll is used up, the second roll is automatically offered. With the toilet paper roll dispenser for 2 jumbo rolls, toilet visitors don't simply have the notorious last sheet in their hands. You simply change the rolls yourself. Better yet: you can only do it yourself because you need the special
