

# Toilet Paper Roll Dispenser 2 Rolls Plastic Black, PQB20Duo

Product sheet

A toilet visit usually lasts only a few minutes, but there are times when your bathroom stop takes longer than planned. It is then pleasant if you have sufficient toilet paper in stock. Designers love the sleekly designed and robust toilet paper roll dispenser from PlastiQline 2020. Thanks to its simple operation and modern, sleek design, this dispenser blends seamlessly into any bathroom. The robust housing made of strong plastic is so
