

Toilet Paper Roll Dispenser 3 Rolls Stainless Steel afp-c, WIN TR3 SAL

Product sheet

In busy restrooms, a well-functioning toilet paper roll dispenser and quick restocking are essential! This toilet roll holder offers you a continuous system that can hold no fewer than 3 rolls with a maximum diameter of 140 mm! Specially manufactured to handle large visitor flows. The carousel allows the next roll to slowly slide down as the first roll runs out. The well-thought-out braking system ensures that the rolls stay in place when the carousel
