

Toilet Roll Dispenser 3 Rolls Stainless Steel, PRO781CS

A simple calculation proves that in an intensively used sanitary facility, multiple rolls are used per day. Adequate toilet paper supplies within reach prevents unnecessary involvement of your facilities department. With the 3-roll holder from Mediclinics, your concerns about supplies are a thing of the past. The holder has room for three standard toilet rolls, which are interchangeable by simply pushing the upper rolls. With this stainless steel 3-roll holder, you show that you
