

Toilet Roll Dispenser 4 Rolls Stainless Steel afp-c, TTU 4 E ST

Toilet paper has little value until the moment your guests are confronted with that last sheet. At that moment, toilet paper becomes top priority. The 4-roll holder from SanTRAL prevents this problem. With four rolls in stock, your guests never run out of sufficient toilet paper. The contemporary stainless steel housing, typical of the SanTRAL line, elegantly conceals the substantial toilet paper supply. Your facility management keeps an easy eye on the stock through the viewing window
