

Air Freshener Refill Lemon

Product sheet

Give your guests a spa feeling in your sanitary facilities? Let your guests experience luxury through the Air-O-Kit refill Lemon. This delightful scent comes from essential oils that are pleasant for people and good for the environment. Additionally, the refill contains ridges, which allow the scent to spread particularly well. A fresh-smelling sanitary area always makes a good impression on your guests and also says something about the building. Would you like to get this right? Then quickly request a quote. Yours
