

Automatic Hand Dryer Stainless Steel, M06ACS

Product sheet

Even if you use your sanitary facilities primarily for practical purposes, the eye wants something too. With a relaxed and pleasant toilet, you make an unforgettable impression on your guests. This stainless steel hand dryer from Mediclinics is the prototype of contemporary design. The modern, clean lines and the subtly sloping side make this hand dryer more than just a simple accessory. The hand dryer is characterized by optimal drying time and a pleasant air temperature. A
